

1 x 60 w. 4 Kg
E-27 0,083 m³

REF.80302

The inspiration for this table lamp is sunlight reflecting off pebbles on a beach, that are being lapped by incoming waves.

Each steel pebble has a gloss nickel finish. The square metal base has edge reliefs.

Made using repulsed plating, a surface treatment involving manual polishing and re-polishing to give the metal a maximum shine and splendor.

The shade is fabric and comes in a wide range of material fabrics, finishes and textures.

This item is available in customised form on request.
