

Wall Lamp

1 x 60 w. 3 Kg  
E-27 0,042 m<sup>3</sup>

REF.80303

The inspiration for this wall sconce is from the effects sunlight makes on pebbles on a beach that are being lapped by waves from the incoming tide.

Each random sized steel pebble has a gloss nickel finish.

Made using repulsed plating, a surface treatment involving manual polishing and re-polishing to give the metal a maximum shine and splendor.

The drum shade is fabric and comes in a wide range of material fabrics, finishes and textures.

**This item is available in customised form on request.**
