Table Lamp

REF.80306

Contemporary table lamp composed of steel tangled circular rings that are randomly welded together. The lamp is sat on a square base with relief edges.

all metal finises are shine nickel, a surface treatment process that involves manual polishing and re-polishing so that the metal shines in its maximum splendor.

The fabric shade is available in a wide range of colour's, textures and finishes.

This item is available in customised form on request.
