Detached /T Ref. 50029
Table Lamp

Table lamp Detached is composed of rectangular steel sections placed one inside the other.

The grace and touch of distinction of this piece are shown clearly in the edges of the mitre cut sections.

The finishes bring together the nobility of satin brass and the elegance of faux marble which is painted onto the steel section.

Detached is completely made by hand by experienced craftsmen within our factory in Spain.

This item is available in customised form on request.
