Table Lamp

Power category  
60 w.

Bulb  
E-27

Weight / Volume  
3 Kg. / 0,04 m3

A table lamp whose charm comes through the figure of a delicate, detailed dancer that was manufactured using the age old technique of casting to lost wax.

The figures details are achieved to such perfection and realism that we have produced a miniature sculpture, created to great effect by artisan craftsmen.

The fabric shade is available in a wide collection of finishes and textures.
