

FLOWER
HE-027
Table Lamp

Weight / Volume
6 Kg. / 0,15 m³

Power category
60 w.

Bulb
E-27

Table lamp made of brass with polished nickel finish, a square base with reliefs on its edges and a steel tube from which arise various figures that simulate petals. The petals are hand welded, forming a flower as a whole.

The lamp carries a surface treatment based on manual polishing and re-polishing so that the metal shines at its best. To finish off the upper part, the piece presents a shade of material to choose from among a wide range of finishes and textures.

This item is available in customised form on request.
