Pendant Lamp

bulb  
10 G-9 LED

Power category  
10 x 2,5 w. / 10 x 190 lm.

Weight / Volume  
8 Kg. / 0,75 m3

Gold Ball is a pendant lamp made of brass using the thousand year old technique of lost wax casting.

The lamp holders are fixed directly to the central ball and from here different arms grow to form concentric branches.

The similarity of the cast branches to that of natural, branches reaches near perfection since they are small sculptures, with maximum detail and realism all, handmade by our artisan sculptors.

The decorative finish is glitter gold, giving it a touch of distinction and luxury.
