

LILLY PENDANT
HE-007
Pendant Lamp

Weight / Volume	Power category	Bulb
1 Kg. - 0,037 m3	4,5 w. / 450 lm.	1 LED

An elegant and modern pendant lamp. Its elegance provided by its decoration.

Finish is a black nickel, bathed with a gloss finish, and its current design is based on a pattern created by our technical designers.

Produced using laser technique from a thin sheet of flat iron. Once the flat iron plate is produced our artisan craftsmen give it a final shape by hand, manually bending, stretching and pressing in key places to crate the overall design. Because it is handmade each piece is truly unique.

This item is available in customised form on request.
