

LILLY TABLE

HE-023

Table Lamp

Bulb
1 LED

Power category
4,5 w. / 450 lm.

Weight / Volume
5 Kg. / 0,24 m3

An elegant and modern table lamp. Its elegance provided by its decoration.

Finish is highly polished copper with a gloss finish. This current design is based on a pattern created by our in-house technical designers.

Produced using laser technique from a thin sheet of flat iron. Once the flat iron plate is produced our artisan craftsmen give it a final shape by hand, manually bending, stretching and pressing in key places to crate the overall design. A white marble hemisphere has been created for the base, enhancing the elegance of the piece.

Because Lilly it is handmade every piece crated is truly unique.

This item is available in customised form on request.
