

SPHERE  
HE-024  
Table Lamp

Bulb	Power category	Weight / Volume
2 G-9 LED	2 x 3 w. / 2 x 190 lm.	8 Kg. / 0,24 m3

Sphere is an elegant hand made marble table lamp that is dressed entirely in black marble.

Presented in an oval shape split into two sections, Sphere comes with a concave base that mirrors the overall design.

Turning the top section of marble activates the integrated lights on/off. The LEDs are mounted into the underside of the top section and shine down onto the base.

An extremely well designed and engineered piece. When not illuminated this table lamp stands monolithic and purposeful, creating a presence of its own, but when illuminated the natural veining is highlighted giving the piece a whole new perspective and atmosphere.
