Also available with marble base.

A table lamp with modern, contemporary styling.

The main body is made of brass (the most noble material for making decorative pieces)

Borosilicate blown glass for the globe, making each a unique piece, with a rectangular marble base that gives it supreme elegance. The piece is hand crafted in our workshop, with a satin brass finish.

Light emanates from the interior of the crystal globe, which is cupped in a brass hemisphere with rounded edges each, made by hand.

**This item is fully customised both in its dimension, construction, finish etc**
