1 BULB E-14

CRACKED GLASS 1 LIGHT PENDANT LAMP
80013

Single pendant lamp made of steel with a finish in a semi-matte gold bath.

This lamp is simple, sober and versatile so that each space becomes elegant, but there is something special about it: a magic that hides in the glass, handmade with the cracking technique.

The apparent fragility of the cracking is a decorative element that takes the piece to a higher level in terms of decoration.

This item is available in customised form on request.
