

CRACKED GLASS WALL LAMP
80018

WALL LAMP:
length (a): 24 cm | 10 inches
height (b): 48 cm | 19 inches
width (c): 14 cm | 6 inches
Lighting:
2 BULBS E-14

Highly decorative twin wall lamp made of steel with a semi-matte gold bath finish.

The wall lamp is simple yet sober and versatile so that each space becomes elegant, but there is something special about it, a magic that hides in the glass, handcrafted with the technique of cracking.

The apparent fragility of cracking is a decorative element that, together with the elegance of the firm decorated steel tube in gold takes the piece to a higher level in terms of decoration.

This item is available in customised form on request.
