**44PA28-ALS SWITCH BANK**

Fits ALL System 44 accessories.  
44PA refers to the ALUMINIUM front plate only.

System 44 is a modular system of interchangeable components allowing specifiers the ability to create truly individual control systems.

Customise your hotel guest-room, office or home with every type of control available. Mix front plates, coloured trims, coloured switches, power sockets, automation controls, USB CAT5E, telephone, HVAC, security and much, much more
